

Thanksgiving Grateful Grams!

Hello Parents of SEES students! The Student Lighthouse Team will be selling Thanksgiving Grateful Grams at **lunch times** next week on November 12th, 13th, and 14th. We also have **a form attached below** for students who would like to fill them out at home and return the money to the office. Each CandyGram is \$.50. Children buy them for their friends in any grade, and the note along with a couple pieces of candy will be delivered on Thursday, November 19.

We recognized last year that it is difficult for some students, especially those in the younger grades, to participate for various reasons, so we wanted to send home the Grateful Gram form for the younger students this time so they can get and receive Grateful Grams more easily. Please see the form on second page, complete as many Grateful Grams as you would like, and send in the form with your student to the office no later than Thursday morning, November 15. *We will not be able to take any forms past this date, unfortunately, as it takes a lot of effort and time to bag up all that delicious candy!*

Thanks for supporting the SEES Student Lighthouse Teams! The SEES Student Lighthouse Teams are two groups of children in 1st-5th and middle school grades that put together activities for the student body at SEES. Your support is needed to help our students fund more projects at SEES. Last year, we were able to use our funds to help us pay for a water bottle refilling station in the elementary school hallway. With these funds we will be able to work toward another project that will improve some aspect of the school. Thank you for all of your support!!
