

Registration Form - Wee Little Arts - Session 2

Session 2 runs on Thursdays for 8 Weeks from November 16th-January 25th - 3:15-4:15 PM

SEES is proud to partner with Wee Little Arts throughout the year to offer after school art classes for PreK, Kindergarten, and 1st grade students. Like during Kaleidoscope, students will meet in Father Herbert Hall, will have a snack, and then will be escorted to and from their class. On Thursdays where there is no school or there is an early dismissal, class will not meet. A calendar of classes will be sent out to parents after registration is complete.

Session 2 of Wee Little Arts is focused on drawing. The students will be creating a still life drawing, learning about symmetry, doing a landscape, and creating their own self-portrait! These are favorites of students and parents alike. If your child did not participate in our last session, no worries! Although our curriculum builds from one session to the next, each session is also independent, so students can pick and chose their sessions if that works the best. Please come join us; it's great fun!

Wee Little Arts is a groundbreaking visual arts program delivered to your PreK-1st grade student by a qualified professional, dedicated to engaging and empowering children through their discovery of the creative process. Our approach fosters creativity in students and encourages the development of critical thinking and fine motor skills. Our teacher, Marg Bucher, is guided by the founder, Melissa Bradshaw's award winning curriculum, a step-by-step process for developing young minds through drawing, painting, sculpture, and mixed media. Each session builds upon the next, reinforced with art history and age-appropriate children's literature.
