

CONSENT FOR USE OF PHOTOGRAPHIC LIKENESS
ST. EDWARD-EPIPHANY SCHOOL

St Edward-Epiphany School (“SEES”) uses printed brochures and its school website as a public relations tool to inform prospective students and their parents about the school. In addition, SEES uses the password protected area of the school website (Inside SEES) to provide information (e.g. schedules, clubs, athletics) to current students and their parents. In order to make the brochure and website as informative and interesting as possible, SEES prefers to use pictures of SEES students, parents, and teachers. None of the pictures in the brochures or in the public area of the website (Outside SEES) of students or parents identify individuals by name. Instead, they are usually “human interest” pictures to show student uniforms and activities. Most photographs will be used for the Inside SEES password protected area.

SEES would like your permission to use the photographic likeness of you and your child(ren) in the printed school brochure and/or the school website. Whether you wish to consent or not, please complete the following information and send it back to the School Office.
