Please help your HSA make this a very special time for our teachers by signing up to help! Many PIP hours are up for grabs! Bridget Murphy has kindly coordinated so much of this week! Please help her with the following:

During Teacher Appreciation Week a SEES teacher will be drawn each morning, (and if we have enough in the afternoon) to receive a gift card! The kids love to listen for their teacher's name and the faculty love this special perk that SEES has done the past few years. This is where we need your assistance. When you are out this weekend shopping at your favorite boutique or Target, (or anywhere else) please consider picking up a gift card for our drawing. Send the gift card to the office labeled: T.A.W. Drawing. If you could sign up with your name and store, we will be able to give you an HSA PIP hour for each gift card donated for your time and generosity.

If you have any questions or concerns, please feel free to contact: Bridget Murphy,
