

Greater Richmond School of Music

Summer Camps 2018

Instrument Sampler

Gr 1-5

NEW

Find your new passion in this week-long adventure through the world of music. Designed for those who are new to music, students will experiment with various instruments, and experience various music styles. **In-class use of piano, guitar, ukulele, and percussion are included in this camp.** Learn basic music theory, ear training and rhythm while finding your musical voice!

Level: Beginner

Guitar Fundamentals

Gr 2-5

Get started with the fundamentals of guitar, music and rhythm in one week! This camp features fun activities, group practice and other introductory lessons in guitar. Participants will learn to play together, performing songs as an ensemble. Other topics covered include music appreciation, rhythm essentials, and music theory.

Level: Beginner to Intermediate

Uke 'n' Roll®

Gr 2-5/6-8

Learn to play classic songs on the **ukulele** in just 1 week-- the newest instrument craze to hit the US! Using the *Uke n Roll* method, campers will be singing along to their uke while learning music fundamentals.

Level: Beginner

Piano Adventure Camp

Gr 1-5

In addition to receiving a block of individual coaching each day, campers will do theory activities such as learning and writing of notes and basic music symbols, building skills in note and rhythm reading, as well as ear training exercises. There will be an informal recital on the last day of the camp.

Level: Beginner

Guitar Pro

Gr 6-12

Play like a pro with your peers and become a guitar champ! Campers will learn key concepts of the fundamentals of music, rhythm and performance. Students will also be able to experiment with different types of guitars, electric guitar effects and other gear key to live performance. Other topics covered include listening, accompaniment, music theory and improvisation.

Level: Intermediate to Advanced

Summer String Thing

Gr 6-12

Learn to perform better with a full ensemble and in small groups - classical, rock, and pop music. Work on music theory, history of rock and roll, keyboard, sight reading, scales for auditions, improvisation, and sectionals. Performance on final day.

Pre: 1yr Violin, Viola, Cello, Upr. Bass

Musical Island Fun JK

With the theme "Island in the Sun", students will be introduced to basic music concepts, strong/weak beats and instrument recognition. We will play our music through the islands with help from tropical animals and pirates where students will explore a number of percussion instruments, including the piano. Come join the "cha cha" fun with us!

Level: Beginner

Choral Odyssey Gr 2-6

In this melodic camp, boys and girls will learn basic music theory and ear training as it relates to singing; work as a group on warm-ups and sight reading; learn songs across a variety of genres and provide a group choral performance on the final day.

Level: Mixed Ability

Elementary String Ensemble Gr 3-5

Students will learn new music, practice technique, and share with others in an ensemble setting. Have fun with five days of hands-on instruction by a professional string instructor, along with singing and music theory games!

Prerequisite: 1yr Violin, Viola or Cello

Summer Jam Gr 3 and up

Jam with your peers while expanding your musical knowledge and having fun as a band! Students will learn how to put on a successful performance of songs they choose, as well as the importance of collaboration in music, in preparation for an informal recital on the last day of camp.

Prerequisite: 1-2 yrs experience on Guitar, Keyboard, Voice, Bass, Percussion, Woodwind, Brass or String Instruments

NOTE: Unless otherwise stated (and other than keyboards and drums) students must have an instrument in order to take part in the camps. **In-class only** guitar and ukulele rentals are available through GRSM for an additional \$15.
