## Rising 6th Grade Math Summer Work-2024

The goal:

- To maintain all of the wonderful math work you accomplished in 5th grade
- To practice and enhance your speed of basic math skills, i.e. math facts
- To practice weekly. Do not wait until the last minute or complete everything at the beginning.

Directions: Purchase the workbook and complete the ODD pages (front and back).

- Or go to Google, type Summer Math Skills Sharpener, click the website link, click on Math and look for the 5th grade Math Review Blue book!
Turn in the Workbook + THIS PAGE signed by a parent on one of the following dates:
1)Book Day: Monday August 19th Rm 213 Mrs. Gordon's Homeroom

2) First Day of school to Mrs. Gordon's room
3) First Day you have Math with Mrs. Gordon
~They will be given a quiz the first week that will be problems directly from the book.
$\sim$ Work may be completed on the workbook page or on loose-leaf. If you show your work on looseleaf, the work must have the problem number next to it and transfer the answer to the workbook page. ~If you use loose leaf, gently place your loose leaf pages inside of your workbook when you turn it in! ***Before completing, please have a parent take out the answer key in the back of your workbook. SEES Honor code is applied.

## Math Lab Dates-Rising 5th and 6th graders only

Mrs. Gordon will offer a Math Lab Wednesday mornings from Rising 5th and 6th graders only on the dates listed below.
